

Tonos™

Pearlescent Pigments

The world's leader in
quality effect pigment technology

Tonos™

Tonos™ pearlescent pigment can create pure white tone that has never seen with other white pearlescent pigments and show to you powerful luster and high brightness.

Also, other color pigments show a same effect in above.

Tonos™ pearlescent pigment also makes the product stylish in particular plastic and print fields for special experience and smooth combination.
